

**Modern laryngeal surgery**  
Medical workshop  
03/30/2020-04/01/2020

**03/30/2020**

**09:00am–06:00pm**

**09:00am–09:30am Welcoming speech**

Prof. Nikolay A. Daykhes, Director of the Medical National Research Otorhinolaryngology Centre, corresponding member of the Russian Academy of Sciences, Doctor of Medical Sciences, Chief non-staff Otorhinolaryngologist with the Ministry of Healthcare of the Russian Federation

**09:30am–10:00am Phonosurgery using a CO2 laser**

Prof. Puxeddu Roberto, Head of the Division of Otorhinolaryngology, Director of the Department of Surgery, University of Cagliari (Italy)

**10:00am-10:30am Diagnosis and case management of patients with larynx pathology**

PhD. Ekaterina V. Osipenko, Chief of Phoniatics department, General Secretary of the European Academy of Phoniatics (EAP), President of the Russian Association of Phoniaticians and Fonopedists

**10:30am-11:00am Basic Laser physics and laser tissue interactions. Laser safety**

Prof. Hesham Negm, MSc, MD, Faculty of Medicine, Cairo University, Cairo, Egypt

**11:00am-11:15am Coffee break**

**11:15am-11:45am Radiodiagnosis of the larynx pathology**

PhD. Igor V. Sorokin, Head of the Radiodiagnosis Department of the Medical National Research Otorhinolaryngology Centre

**11:45am-12:15pm Olympus Technologies for diagnosis and treatment of the larynx diseases**  
(Olympus company)

**12:15pm -12:45pm Laryngeal movement disorders**

PhD. Kamila M. Magomedova, senior researcher of the scientific and clinical department of upper respiratory airway diseases of the Medical National Research Otorhinolaryngology Centre

**12:45pm-01:15pm Laryngeal cicatricial stenosis**

PhD. Vyacheslav V. Vavin, senior researcher of the scientific and clinical department of upper respiratory airway diseases of the Medical National Research Otorhinolaryngology Centre

**01:15-01:45 Lunch**

**01:45pm-02:45pm Live streaming of the surgical session** (with interactive communication from the operating room)

**02:45pm-03:15pm Laryngeal papillomatosis in adults**

Ismail G. Huseynov, junior researcher of the scientific and clinical department of upper respiratory airway diseases of the Medical National Research Otorhinolaryngology Centre

03:15pm-03:45pm **Benign laryngeal tumors**

PhD. Natalya D. Chuchueva, assistant of the ENT department of I.M. Sechenov First Moscow State Medical University (Sechenov University)

03:45pm-04:00pm **Coffee break**

04:00pm-04:30pm **Voice rehabilitation of patients with larynx pathology**

PhD. Irina A. Mikhalevskaya, speech therapist of the Phoniatics department of the Medical National Research Otorhinolaryngology Centre

04:30p -06:00pm **Hands on practice session**

**03/31/2020**

**09:00am-06:00pm**

09:00am-09:30am **Developmental anatomy of the larynx and characters of endolaryngeal surgery in children**

PhD. Dmitry P. Polyakov, Head of the Children's department of the Medical National Research Otorhinolaryngology Centre

09:30am-10:00am **Laryngotracheal reconstruction in childhood**

DM. Pavel V. Pavlov, Head of the university ENT department, Professor of the ENT department of the St. Petersburg State Pediatric Medical University, responsible for academic work.

10:00am - 10:30am **Congenital larynx abnormalities in children**

DM. Yuri L. Soldatsky, Professor of the ENT department of I.M. Sechenov First Moscow State Medical University (Sechenov University)

10:30am-11:00am **Juvenile papillomatosis**

PhD. Dmitry P. Polyakov, Head of the Children's department of the Medical National Research Otorhinolaryngology Centre

11:00am-11:30am **Laser treatment of vascular malformation**

Prof. Hesham Negm, MSc, MD, Faculty of Medicine, Cairo University, Cairo, Egypt.

11.30am-11.45am **Coffee break**

11:45pm-12:15pm **Precancers and early laryngeal cancers**

DM. Ibragim I. Nazhmudinov, Head of the department of upper respiratory airway diseases of the Medical National Research Otorhinolaryngology Centre

12:15pm-12:45pm **Laryngeal injury treatment tactics**

Prof. Puxeddu Roberto, Head of the Division of Otorhinolaryngology, Director of the Department of Surgery, University of Cagliari (Italy)

12:45pm-01:45pm **Lunch**

01:45pm-02:45pm **Live streaming of the surgical session** (with interactive communication from the operating room)

02:45pm-03:15pm **Clinical anatomy of the larynx** Inna O. Chizhikova, medical examiner, Office of the Chief Medical Examiner of the Healthcare Department, Moscow

03:15pm-03:45pm **Equipment and instruments for larynx pathology diagnosis and treatment** (Storz company)

03:45pm-04:00pm **Coffee break**

04:00pm-04:30pm **Features of the modern CO2 laser surgical complex** (Lumenis company)

04:30pm-06:00pm **Hands on practice session (Cadaver Class)**

**04/01/2020**

**09:00am-04:30pm**

09:00am-09:30am **Endolaryngeal surgery of the laryngeal vestibule cancer**  
DM. Ali M. Mudunov, Head of the head and neck tumors department of the N.N. Blokhin National Medical Research Center of Oncology of the Ministry of Healthcare of the Russian Federation

09:30am-10:00am **Possibilities of organ preservation treatment for laryngeal cancer after CRT according to the extensive pattern**  
DM. Elena N. Novozhilova, Head of the head and neck tumors department of the Moscow Oncological Hospital № 62

10:00am-10:30am **Tracheostomy and prevention of cicatricial laryngotracheal stenosis**  
PhD. Vyacheslav V. Vavin, senior researcher of the scientific and clinical department of upper respiratory airway diseases of the Medical National Research Otorhinolaryngology Centre

10:30am-10:45am **Coffee break**

10:45am-12:45pm **Live streaming of the surgical session** (with interactive communication from the operating room)

12:45pm-01:45pm **Lunch**

01:45pm-03:45pm **Hands on practice session (Cadaver Class)**

03:45pm-04:30pm **Closing ceremony - certificate delivery ceremony**
